

COVID-19 Update – Mandatory Golf Course Closure

Valued Customer:

On Tuesday, March 24, 2020 the Washington Governor issued a Stay Home, Stay Healthy order which requires the shut-down of all non-essential businesses. This requires temporarily closing our golf course until the order is lifted. During the closure we will ensure the golf course is secure and taken care of and we look forward to being able to return to normal business as soon as the order is lifted.

Our thoughts are with our employees, customers and their families during these unprecedented times.

Our Director of Golf – **Jeremy Wexler at jwexler@palouseridge.com** – will be responding to questions and inquiries during this closure.

Please feel free to reach out with any questions or concerns. In addition, please check our website – **www.palouseridge.com** – and monitor our social media for updates over the coming days and weeks.

Thank you,

Palouse Ridge Golf Club Staff and Management
